

# DIRECTOR

## - Munarra Centre for Regional Excellence

An exciting opportunity exists to be the inaugural Director of the Munarra Centre for Regional Excellence (MCRE).

As a senior role, it is expected that the Director will lead advocacy efforts to promote MCRE at a regional, national and international level to identify high-impact collaboration and joint venture opportunities.

The position would be responsible for the development of a business case to recruit service delivery partners and create a strong investment narrative for new philanthropic and funding partners. The role is on a 2-year contract and also includes implementation and service development.

**The priority will be to attract the further necessary investment to realise the full vision of the MCRE and recruit partners with expertise in the areas of:**

- adult and youth education and learning;
- science, technology and math;
- business incubation and development;
- arts and culture; and
- sports and sport science.

With a demonstrated and strong attachment to and understanding of the local Aboriginal community, the position will also be embedded in the community to ensure constant alignment with the aspirations and expectations of the project. Within in an environment of shared culture and understanding, MCRE will have a strong focus on curriculum and cultural competency.

With deep understanding of the purpose, governance structure and service delivery model of the MCRE, and an initial term of 2 years, with the possibility of extension.
